Perry's Moth and Freckle Lotion .---Chlosma or Mothpatch, (also Liverspot.) and Lentigo or Freckles, are often very annoying, particularly to Ladies of light complexion, for the discolored spots show more plainly on the blonde than a brunette; but they greatly mar the beauty of either; and any preparation that will effectually remove them without adjuring the color or texture of the skin is certainly a desideratum. Dr. B. C. Perry, who has made diseases of the skin a speciality, has discovered a remedy for these discolorations, which is at once prompt, infailible and harmiess.
